Floor Care System

Neutral Floor Cleaner™ : Use for daily maintenance, while leaving the shine. Lifts and suspends soil, no rinsing required. For use with Mop and Bucket and Auto Scrubbers. Concentrated formula with multiple dilution rates. **EcoLogo CCD-146**

Floor Finish™ : Zinc Free 20% High Gloss Floor (Sealer) / Finish. Durable for high traffic areas, UHS burnishable. Easy and economical to coat, clean, and maintain. **EcoLogo CCD-147**

Floor Finish Stripper™ : Low Odour Stripper, use with or without machine. Strips multiple coats of Zinc Free finishes. Concentrated Formula with multiple dilution rates. **EcoLogo CCD-147**

Floor Finish Restorer™ : Cleans and polishes while removing scuff marks. Helps to lower slip coefficient of burnished floors. Enhances gloss and durability. Ready to use formula.

Commercial Cleaners

Neutral Cleaner 256™ : Residual free, leaves floors shining, lifts and suspends soil. Ideal for daily use in general damp mopping applications. Economical cost per use within an Auto Scrubber. Highly concentrated formula. **EcoLogo CCD-146**

Cleaner Degreaser™ : Industrial Strength Cleaner and Degreaser. Multiple area use, reduces the need for other products. Non-caustic, no fumes, economical to use. Concentrated formula with multiple dilution rates. **EcoLogo CCD-146E**

Odour Control

Odour Neutralizer™ : Quickly eliminates odour on contact, by breaking down residual organic matter. Safe for use around pet and kid made odours. Penetrates fabrics and porous surfaces quickly. Ready to use formula, fragrance free. **EcoLogo CCD-115**

Enzyme Digester™ : Natural Odour Digester, Grease and Organic Waste Digester. Non-corrosive, septic safe, ideal for line cleaning. Low VOC signature Northern Breeze essential oil fragrance. Ready to use formula, that is strong enough to dilute for other uses.

Hard Surface / Bathroom Care

Glass Cleaner™ : No Flash Point, multi-purpose glass and hard surface cleaner. Fast drying, streak free, low cost per use when diluted accordingly. Concentrated formula with multiple dilution rates. **EcoLogo CCD-146A**

Bathroom Cleaner™ : Multi-purpose cleaner, degreaser, odour eliminator, powered by Hydrogen Peroxide and Natural Citrus. Provides colour safe bleaching, lightens stains and grout. Effectively reduces mould and mildew on hard and porous surfaces. Concentrated formula with multiple dilution rates. **EcoLogo CCD-146J**

Restroom Cleaner™ : An Acid Replacement Technology for all other acids. Made with a septic safe blend of organic salts, with a thickened clinging action. Lightly fragranced with low VOC signature Arctic Breeze fragrance. Ready to use formula.

Toilet Bowl Cleaner™ : Dissolves dirt and scale, with no strong fumes – septic safe. Cleans toilet bowls and urinals leaving them sparkling. Removes hard water stains, rust and mineral deposits. Ready to use formula. **EcoLogo CCD-146J**

Cream Cleanser™ : A smooth emulsion of natural abrasives and cleaning solution. The gentle but effective abrasive action will remove grease, soap scum and dirt from those hard to clean surfaces. In the kitchen on walls, sinks, countertops, appliances and ovens. In the washrooms on porcelain, tile, bathtubs, shower stalls, basins and toilet bowls. **EcoLogo CCD-146**

Multi-Purpose Cleaner™ : A concentrated formulation of blended wetting agents, with natural cleaners such as hydrogen peroxide and citrus oils to efficiently and economically clean, degrease and eliminated harmful malodors from all hard surfaces. Regular use of this product will reduce or eliminate mold and mildew, brighten grout and remove unwanted stains. User friendly and safe for all surfaces, free rinsing food contact surfaces must be rinsed thoroughly with potable water. This product is suitable for use in food plants when used as directed. **EcoLogo CCD-146**

Natural Urinal Pucks™ : These biodegradable biological pucks are formulated to degrade uric acid and aid in controlling malodors. Non-pathogenic a unique blend of wetting agents and bacteria the aid the cleaning and odour control of washroom fixtures. This product is CFIA approved and made of non-pDCB ingredients. **EcoLogo CCD-165**

Warewash

Manual Dishwashing Soap™ : A concentrated safe, environmentally aware cleaner for removing the toughest food stains from table and glassware, pots and pans, all hard surfaces. User friendly and gentle to your hands and the environment when used as directed, all surfaces in direct contact with food must be thoroughly rinsed with potable water. **EcoLogo CCD-146K**

It only takes a small effort, to **make a big difference.** You're doing your part by starting here.

Personal Care

Hand Cleaner™ : Non-sensitizing, fragrance free, Lotion Hand and Body wash. Ideal for use around children and those with skin sensitivities. Nice rich lather, leaves hands soft and supple. Economical bulk fill for multiple dispensing locations. **EcoLogo CCD-104**

Foam Hand Soap™ : Non-sensitizing, fragrance free, Foam Hand Soap. Ideal for use with children and those with skin sensitivities. Rich foam lather that clings, rinses leaving hand soft and supple. Economical bulk fill, approximately 4200 washes per 4L jug. **EcoLogo CCD-104**

Fabric Care

Peroxide Spray-It™ : Powered by Hydrogen Peroxide and Environmentally Preferred Surfactants. Provides colour safe bleaching of fabric and porous materials. Effectively reduces mould and mildew on porous surfaces. Dries quickly leaving no residuals or tracking. Ready to use formula, simply spray on and leave.
